EDUCATION

2025.09-2029.06 **Beijing University of Chemical Technology, School of International Education**
Bioengineering (GPA: 3.29/4.33)
Core Courses: Biochemistry, Microbiology, Molecular Biology, Fermentation Engineering, Genetic Engineering.

EXPERIENCES

Student Volunteer, University & College Student Union

- Hosted visiting delegates from North China Electric Power University for the 21st BUCT Student Representative Conference; led campus tours and presented campus facilities.

- Invited on three occasions to act as competition judge for China University of Petroleum (Beijing) Campus Singer Contest; evaluated contestants and delivered professional comments.

Class Culture & Sports Committee, Class I- ESF 2502

- Coordinated preparation and on- site execution of campus cultural & sports events, including choir competitions, track- and- field meets and music festivals.
- Oversaw on- site support for campus singer contests; flexibly resolved on- site emergencies across preliminary to final rounds.

AWARDS&HONORS

- Second Prize, School- Level, 2026 China International College Student Innovation Competition
- Third- Class People's Scholarship, First Semester, 2025- 2026 Academic Year

Skills

Language Proficiency

- English: CET- 4 (College English Test Band 4).

Software Skills

- Proficient in Microsoft Word, Excel, PowerPoint, Python, MATLAB, and related analytical software.

Laboratory Skills

- Biochemical & microbiological routine operations: medium preparation, solution formulation, pH calibration, autoclaving, aseptic handling in laminar flow cabinet.
- Molecular biology techniques: DNA/RNA extraction, PCR, agarose gel electrophoresis, plasmid extraction, DNA quantification via Nanodrop.
- Sample pretreatment & quantitative assay: sample drying & grinding, DNS assay for reducing sugar, UV-Vis spectrophotometry.
- Instrument operation: high-speed refrigerated centrifuge, constant-temperature shaker, gel imaging system.
- Data processing & visualization: Origin, Excel, Minitab for statistical analysis and graph plotting.
